AIR QUALITY SURVEY - REFERENCE 12/64

The Department of Environmental Sciences at Hazleton UK is conducting an air quality survey as part of a study in the Yorkshire area. We are interested in all locations including homes, travel, workplaces, leisure situations etc.

As part of this survey, the volunteer will wear a monitor for 24 hours as they go about their daily lives. The volunteers and hence locations have been randomly selected and therefore do not imply any potential areas of poor air quality. The locations will not be specifically identified or mentioned by name in any report produced from this survey.

The monitor which does not need a power supply is contained in a small bag. It is quiet, unobtrusive and safe. The bearer of this letter will be wearing the monitor and can explain some of its features if necessary.

If you require further information please contact me at the above address or telephone number during office hours, 0900-1700 Monday to Friday and quote reference 12/64. Messages can be left at any time out of office hours on the Volunteer Selection Freephone number 0800 591570.

Thank you in advance for your cooperation in this matter.

Yours sincerely

Keith Phillips  
Manager, Department of Environmental Sciences  
for Hazleton UK
